Subject: ACC Retirement Plan Contributions and Annual Contribution Calculation Form

Retirement Contributions

The ACC Office no longer accept checks for Temple Contribution payments or any checks for voluntary Salary Elective Deferral Contributions as of January, 2017.

Retirement contributions need to be made directly to Fidelity Investments via their employer system, the Fidelity Plan Sponsor Web Station (PSW). Fidelity PSW's online platform will enable you to make contributions electronically for the benefit of ACC Retirement Plan participants. These transactions can be made faster and more securely than a traditional paper check.

Please note that Salary Deferral contributions should be deposited to the participant's account in a reasonable time frame after the end of the payroll cycle. Usually the last item of a payroll run, the salary deferral contributions should be made before the next payroll cycle begins.

Getting Started

1. Complete the enclosed Fidelity PSW User Access Form and return it to the ACC Office via fax or email. You may have more than one user from your temple with access.
2. If your temple has never had a participant in the ACC Retirement Plan, your temple may need to be set up as an Employer in Fidelity's system. Employer set up processing may take up to 5 business days.
3. Once received, your information (or your designate) will be set up in Fidelity's PSW system. Instructions will be provided to login to Fidelity's PSW system and to establish a payment method. ACH set up can take up to 15 business days.
4. After the payment method is established, the Fidelity PSW system will be ready for use.

¹ Your employer can make a discretionary contribution on your behalf. Plan guidelines suggest a minimum of 15% of your annual eligible compensation. Not including catch-up contributions, but including salary deferral contributions, the maximum aggregate annual contribution that can be made on your behalf is the lesser of \$55,000 or 100% of your 415 Compensation. Any amount contributed over the maximum limit will be invested in the ACC Supplemental Plan.

² You may make a salary deferral contribution up to 100% of your eligible compensation on a before tax basis. However, this contribution is subject to the maximum limits imposed by the IRS, \$18,500 in 2018, plus an additional \$6,000 if you are age 50 or older at December 31, 2017. Any amount contributed over the maximum limit will be invested in the ACC Supplemental Plan. Your congregation is required to remit this contribution directly to Fidelity at the time it is earned.

³ The Employer hereby adopts the American Conference of Cantors Retirement Plan, A 403(b) Qualified Church Plan and the American Conference of Cantors Supplemental Retirement Plan, and irrevocably designates the Executive Board of the American Conference of Cantors as its agent with respect to all of its relations with the Trustees and Committee of the ACC Plans.
